Standards and Expectations

Attendance

- The following are EXCUSED absences: personal illness or accident, funeral or death in the family, classroom field trip with prior approval from the coach, and any other incidences per the Coach's discretion.
- Failure to attend practices/games can result in disciplinary action and eventual expulsion
- All members will be held to the same expectations on attendance.

Athletic Physicals

- All Sparklers are required to have a physical on file prior to team camp in July.
- Physical exams from last year will carry over unless you have underlying health conditions.
- Each Sparkler will still be responsible for filling out the medical history form and the online rankone form

The district will provide a physical day. Additional details regarding this event will be posted as I get them!

I recommend you complete physicals prior to Summer. This will make your life much easier!

All paperwork except the actual physical must be completed online.

Skills Expectation

As a member of the CHS Sparkler program, you have to demonstrate specific requirements and expectations to make the team. These skills should be shown and utilized throughout the year and every Sparkler should show a natural progression in improving skills. Failure to adhere may result in disciplinary action including removal from games and activities.

Questions?

- Please ask questions that pertain to the whole group at this time. Type them in the chat box please.
- If you have personal questions you may email me.
